

FLAT WIRE SHELVING

Efficient and Affordable Shelving

TAKE FULL ADVANTAGE OF YOUR MERCHANDISING SPACE

Energy Door Company offers flat wire shelving to withstand the most demanding environments. Our shelving is manufactured in-house to support our customers needs and assures us the highest quality shelving standards. All shelving is equipped with a matching price tag mold that allows the retailer the opportunity to display their selected advertising message or pricing. Flat wire shelving is available with black or white finish.
